

# Family Pre-Screening Health Form

*Camp Lutherhaven Summer 2021*

We are grateful for your partnership in providing a safe and healthy camp environment this summer at Camp Lutherhaven. In an effort to minimize illness, we ask you to check daily on the health of all weekend campers beginning 14 days prior to arriving at Camp. The best camp sessions start with healthy campers and this begins at home.

**Please bring this completed form to Camp registration check-in.**

## 14 Day Self-Isolation Recommended

*We are recommending that immediately before your arrival to Camp Lutherhaven, all family members attending camp complete 14 days of self-isolation to reduce their risk of exposure to COVID-19. By self-isolation, we mean limiting exposure to non-family members, wearing a face covering around non-family members, avoiding large crowds/gatherings, and limiting unnecessary travel.*

If my family is experiencing any symptoms related to a communicable disease on the day of attending a Camp program, my family will remain at home and I will contact Camp to see about attending Camp at a later date or to cancel their registration.
