Camp Lutherhaven has been providing an outdoor camping experience for the adult disabled population of the greater Fort Wayne area for over 30 years. You are invited to be a part of this outdoor summer opportunity.

Lutherhaven is a 72-acre Christian nonprofit organization that seeks to offer people of all ages a place to retreat and be renewed. Our summer staff consists of 28 people, mostly college-aged, which means we are limited on the number of campers and extensiveness of the disabilities that can be accommodated. We train for these special camps by working specifically with the information you provide, preparing our staff for the uniqueness of each camper's needs. In the past, this has included an in-service training as well as sharing materials on communication, behavior, safety, and care of the disabled adult.

Campers need to have basic skills at providing for their own personal hygiene. In addition, medical conditions that require specialized training cannot be accommodated. Lutherhaven is unfortunately not fully wheelchair-accessible throughout Camp and contains uneven and wooded ground. Please keep these factors in mind as you consider the possibility of sending a camper to this program.

If you have any questions or for registration materials please contact us. We look forward to working with you and making available a memorable outdoor experience for some very special people!
